Printer scale check · 4×6 in

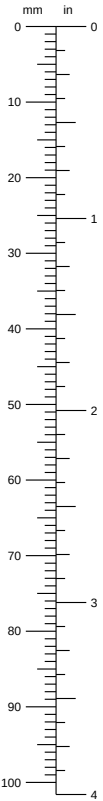

TOP

Print at 100% / Actual size — not Fit, Fill or Shrink.

2×2 in
= 50.8 × 50.8 mm

35×45 mm

33×48 mm

If the 2×2 in box measures … your print scale was …

45.7 mm	= 90%	50.3 mm	= 99%
47.2 mm	= 93%	**50.8 mm**	**= 100%**
48.3 mm	= 95%	51.3 mm	= 101%
49.3 mm	= 97%	51.8 mm	= 102%
49.8 mm	= 98%	53.3 mm	= 105%

The 100 mm ruler reads the same: 98 mm means 98%.

Not 100%? Set the scale to 100% / Actual size and print again.
