Printer scale check · A4

TOP

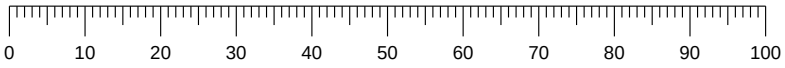

1. Print this page the way you will print your photos, with the scale at 100% / Actual size.
2. Measure the 100 mm ruler and the 2×2 in box with a ruler marked in millimetres.
3. 100 mm and 50.8 mm mean nothing was rescaled. Anything else: see the table.

2×2 in
= 50.8 × 50.8 mm

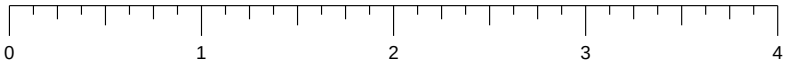

35×45 mm

33×48 mm
